

## An Easter Prayer

Here you are, Jesus,  
our Lord and our God  
with wide open arms  
that proclaim to all,  
'See God's love  
can embrace us all.'

Here you are, Christ,  
our Lord and our God  
with wide open arms  
that proclaim to all,  
'Come follow me!  
Nothing can get in our way.  
Through the crucifixion  
I will lead you to eternal life!'

Here you are, Jesus Christ.  
Kneeling before you,  
we look at you and say,  
Thank you,  
our Lord and our God!'
