EASTER PRAISE

This year's Easter Praise was led by Y5 in the school hall. The children were able to watch this celebration live from the classrooms.

Can you please ensure your child has a water bottle at school especially if and when the warm weather arrives after Easter!

A Polite Reminder

We ask that parents do not gather or wait at the school gates. Please do not wait for your children on the Church drive. You must come into the school to collect your child and follow the one way system.

Easter Break

School will reopen at 8.45am on Monday 19th April.
We look forward to the children returning to school; smart, alert and ready to learn.
