

Art

The EYFS framework is structured very differently to the national curriculum as it is organised across seven areas of learning rather than subject areas. The aim of this document is to help subject leaders to understand how the skills taught across EYFS feed into national curriculum subjects.

This document demonstrates which statements from the 2020 Development Matters are prerequisite skills for art within the national curriculum. The table below outlines the most relevant statements taken from the Early Learning Goals in the EYFS statutory framework and the Development Matters age ranges for Three and Four-Year-Old's and Reception to match the programme of study for art.

The most relevant statements for art are taken from the following areas of learning:

- Physical Development
- Expressive Arts and Design
-

Art		
Three and Four-Year-Old's	Physical Development	<ul style="list-style-type: none">• Use large-muscle movements to wave flags and streamers, paint and make marks.• Choose the right resources to carry out their own plan.• Use one-handed tools and equipment, for example, making snips in paper with scissors.• Use a comfortable grip with good control when holding pens and pencils.
	Expressive Arts and Design	<ul style="list-style-type: none">• Explore different materials freely, in order to develop their ideas about how to use them and what to make.• Develop their own ideas and then decide which materials to use to express them.• Join different materials and explore different textures.• Create closed shapes with continuous lines, and begin to use these shapes to represent objects.• Draw with increasing complexity and detail, such as representing a face with a circle and including details.• Use drawing to represent ideas like movement or loud noises.• Show different emotions in their drawings and paintings, like happiness, sadness, fear, etc.• Explore colour and colour mixing.
Reception	Physical Development	<ul style="list-style-type: none">• Develop their small motor skills so that they can use a range of tools competently, safely and confidently.• Use their core muscle strength to achieve a good posture when sitting at a table or sitting on the floor.• Develop overall body-strength, balance, coordination and agility.
