

# Advent calendar 2023

## First Sunday of Advent

Advent is a special time when we get ready for the coming of Jesus.

### Today's reading

*Mark 13:33-37*

The gospel story is telling us that we must be ready when Jesus comes again, but that we cannot be exactly sure when that will be, so we must try to be ready all the time.

### Today's reflection

When we look around, we sometimes see people who need our help.

Let's remember this.

This Advent, let's look out especially for people who have been forced to leave everything behind to find somewhere safe to live.

**“I tell you solemnly, nowhere in Israel have I found faith like this.”**  
*Matthew 8:10*

## Today's reflection

In today's reading we hear of a Roman officer who has so much faith in Jesus, he believes Jesus can heal his servant without even being in the house. That's a lot of faith!

The officer is also asking Jesus not for himself, but for his servant. Today why not think about who are the people who need our help in our own families, but also in our school community and around the world?

## Today's activity

Advent is a time of preparation, having faith that Jesus will come at Christmas. You can write a promise or an intention for Advent on one of the [templates](#), as you prepare for Christmas.

At that time Jesus was filled with joy by the Holy Spirit and said,  
“Father, Lord of heaven and earth! I thank you”

*Luke 10:21*

## Today's reflection

It's always important to thank the people we are grateful to. By saying thank you we show we're happy with what we've got and we recognise how generous the other person has been by giving it to us.

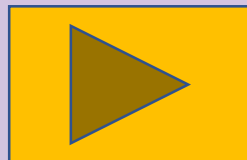

Who has helped you this year?

How could you show that you are grateful to them?

“I feel sorry for all these people; they have been with me for three days now and have nothing to eat.”

*Matthew 15:32*

## Today's reflection

In today's scripture, Jesus feels sympathy for a group of people who have been listening to him and are hungry. He takes action to help them, turning loaves and fish into enough food for them all. How can we take action as well as feeling sympathy for others?

## Today's prayer

God of life,

We give thanks for all those people who are kind to us.

Help us to be the best people that we can be  
in preparation for the coming of your Son Jesus.

Amen

The wise man built his house on rock.  
*Matthew 7:24*

## Today's reflection

Today's scripture comes from a well known parable about the man who built his house on the rock, and the man who built his house on the sand. Jesus is our rock – how can we build on him in our lives?

## Today's activity

Advent is a season of preparation, expectation and hope. What can you find out about how people celebrate Advent around the world?

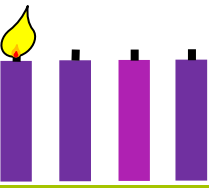

## Watch our [Advent assembly!](#)

If you haven't done already, why not reflect on the season of Advent and hear about children across England and Wales preparing to welcome Jesus the Light of the World.

## The Immaculate Conception of the Blessed Virgin Mary

**Mary, do not be afraid; you have won God's favour.**

*Luke 1:30*

In today's scripture we are reminded of how Mary is chosen from the very beginning of her existence to be the Mother of our Lord. But this does not mean that Mary's life is easy. She must have courage to say "yes" to what it is that God is asking of her.

How have we had to be brave this year?

How can we show courage in the future?

Whenever you plant your crops,  
the Lord will send rain to make them grow and will give you a rich harvest.

*Isaiah 30:23*

## Today's reflection

We trust that God provides for us in many ways. But we often have to put in something of ourselves that the Lord can use to nourish and grow. How can we sow the seeds of doing the right thing in our lives?

## Second Sunday of Advent

### Today's reading

*Mark 1:1-8*

Today we heard a story about John the Baptist. John told everybody that Jesus was coming and that they needed to get ready. John warns the people coming to be baptised that they need to change their lives for the better. This will help them to be ready for Jesus.

### Today's reflection

If we change our lives for the better and try to do the right things, we can help to make the world a happier place for other people too.

How are you going to change your life for the better this Advent?

What will you do for others so that you are ready when Jesus comes?

Jesus saw how much faith they had.

*Luke 5:20*

## Today's reflection

In today's scripture a group of men helped their friend to see Jesus. Jesus saw the strength of their faith, and their friendship and healed the man.

How can we support our friends and help others?

## Today's prayer

God of life,

We give thanks for all those people who are kind to us.

Help us to be the best people that we can be  
in preparation for the coming of your Son Jesus.

## Today's reflection

Today's scripture tells the parable of the lost sheep. The good shepherd cares for all of his sheep, so that if just one gets lost he goes to find it. Everyone of them is important, just as everyone in the world is important to God.

How can we show that everyone is special today?

## Today's activity

You could design a crib scene, complete with sheep and/or goats to celebrate the coming of the birth of Jesus at Christmas. If you're feeling ambitious you could cut out your animals, or even build them!

The Lord is the everlasting God who created all the world.  
*Isaiah 40:28*

## Today's reflection

In today's scripture we hear how God never grows tired or weary, and that he created the whole world. When we look around we can see the beauty of creation, and it's down to all of us to look after it.

How can we look after the Earth today?

I will make rivers flow among barren hills and springs of water run in the valleys.

*Isaiah 41:18*

We all know about the importance of water, for drinking, washing and keeping clean. In some parts of the world people do not have the things we have. We remember our global neighbours who don't have access to clean and safe water.

Today's activity:

Why not use recycle some paper in order to decorate your home in preparation for Christmas? How many different patterns of snowflake can you make?

Step one: Fold you sheet of paper into four or eight.

Step two: Use a pair of scissors to carefully cut patterns along the folded edges.

Step three: Unfold your sheet and admire your handiwork!

## Today's reflection

Sometimes we can feel lost in life, or not sure of the way ahead. In those times, it is important to remember that God shows the way.

How can we make sure we are listening for this, and that we try to follow where God leads?

## Today's activity

You can design your own Christmas jumper using this [template](#).

Think about what is important about Christmas and how we can wait in hopeful expectation for the gift of Jesus to us all.

People did not recognise him.  
*Matthew 17:12*

## Today's reflection

In today's scripture, Jesus talks about the prophet Elijah and how people didn't recognise how special he was. Sometimes we can take special people for granted, or forget how special someone is to us. How can you show someone that they are special to you today?

## Third Sunday of Advent

### Today's reading

*John 1:6-8, 19-28*

Jesus is the light of the world. This reading says that John the Baptist came to tell everyone Jesus was coming. Jesus is the Son of God and he shows us how we should live – he is a shining light in the darkness for us to follow. But if we share the light we can see so much more! If we share the light of Jesus we can light up the whole world.

How do you think we can share the light of Jesus with others?

### Today's prayer

Generous God,

We thank you for all the good things that you have given us.

Help us to follow the example of Jesus,  
to care for others

and to bring good news to people who are poor.

Amen

Did you know today is  
Gaudete Sunday?

We light the pink candle,  
representing joy.

**How could you bring joy  
to others this Advent?**

She will have a son and you will name him Jesus.  
*Matthew 1:21*

Today we hear of Joseph receiving good news – Mary, his wife, was expecting a very important baby! It is just over a week left until Christmas Day. How can we make sure we are prepared to receive the good news of Jesus today, and in the next week?

Celebrate the good news we are expecting and preparing for in this season of Advent with an acrostic poem. Start each line with the letters ADVENT and write how you are feeling, or what you are doing to prepare for the coming of Jesus.

## Today's reflection

In today's reading we hear that God will send a sign about Jesus' birth. Throughout Advent we have been waiting and preparing, as we watch and listen for the sign of for the coming of Jesus. We are nearly ready for the celebration of Christmas – we have just a few more days to think about preparing the welcome Jesus.

## Today's reflection

It's nearly time to joyfully welcome the coming of Jesus, the Light of the World at Christmas. We have been preparing throughout Advent and looking forward to the celebrations. Sharing the expectation of joy is another part of the season – who can you share the joy with today?

## Today's activity

Saying thank you is an important part of Christmas too. We can say thank you for many things this year – our parents or guardians looking after us, teachers continuing to teach us in some of the hardest times, friends for staying in touch. Today, why not write a letter, postcard or email to someone to say thank you for something this year.

In today's scripture we hear Mary's joyful song, the Magnificat. She is celebrating the gift that God has given her, but also has provided to the whole world. We are getting ready to celebrate Christmas, but let's also remember those who provide for us today. Who has given you 'good things'?

# Fourth Sunday of Advent

Today is the **Fourth Sunday of Advent**

## **Luke 1:26-38**

In this story an angel comes to tell Mary that she will have a very special baby, that he will be the son of God and will be called Jesus.

God of light,  
You sent your angel to tell Mary that Jesus was a special baby.  
Help us to remember that all babies are special because they are all part of your family and you love us all.  
Amen

Christmas is nearly here! Thank you for using the calendar this Advent, and we hope you are looking forward to tomorrow's joyful celebration as we welcome Jesus, the light of the world, once again. Take a moment today to reflect on the past few weeks and make sure you are fully prepared for tomorrow.

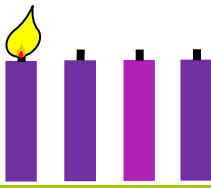

Loving God,  
As we wait for the birth of Jesus at Christmas,  
we give thanks for the wonderful gift of new life.  
We pray for all parents around the world and for their children,  
that they will be healthy, happy and love one another.  
Amen

# Happy Christmas

## Make your own Advent wreath

The Advent wreath is a special symbol.

The evergreen leaves mean everlasting life.

The circle of the wreath (with no beginning and no end) reminds us of the eternity of God and the four candles are the four weeks of Advent.

### Draw or make an Advent wreath:

1. Cut a hole in the middle of a paper plate
2. Draw around your hands on green recycled paper and ask others to do the same
3. Stick the cut-out hands around the outside of the paper plate to make the leaves
4. Make four candles by rolling paper into tubes (3 purple and 1 pink)
5. Attach a paper flame to one candle on each Sunday of Advent
