

Ss Peter and Paul Catholic Primary School

Uniform Policy

At Ss Peter and Paul we endeavour to create a safe and stimulating environment where everyone knows that they are valued. A person has the right to be treated with respect and has the responsibility to treat others in the same way.

Guidance

The school has used the DfE guidance on school uniform in the setting of this policy.

‘School uniform plays a valuable role in contributing to the ethos of a school and setting an appropriate tone.’

The Department of Education strongly encourages schools to have a uniform as it can instil pride; support positive behaviour and discipline; encourage identity with, and support for, school ethos; ensure pupils of all races and backgrounds feel welcome; protect children from social pressures to dress in a particular way; and nurture cohesion and promote good relations between different groups of pupils. We also encourage schools to have a very clear position about appearance such as hair colour, style and length and the wearing of jewellery and makeup.

All students are expected to wear school uniform at all times. It is designed to be comfortable, attractive and practical. We believe having a school uniform avoids competitive dressing and helps to set the tone of the school. Uniform is a key aspect of creating a purposeful learning environment to allow students to work and realise their full potential. As parents and carers, we would like to thank you for your continued support in ensuring that high standards are reached. When purchasing new shoes, skirts or trousers please ensure that they conform to school policy.

Aims and objectives

Our policy on school uniform is based on the belief that school uniform:

- promotes a sense of pride in our school;
- helps to create a sense of community and belonging towards the school;
- identifies the children with the school;
- supports our commitment to excellence and inclusion;
- prevents children from wearing ‘fashion clothes’ that could be distracting in class;
- is practical, smart and designed with health and safety in mind.
