

Ss Peter and Paul Catholic Primary School

21st May 2021

Dear Parents/Carers,

Following Government Guidelines we have reviewed our Relationship Sex Health Education (RSHE) Curriculum. The resource we are proposing to use in school is called TenTen - Life To The Full. This programme is advocated by the Diocese of Hexham and Newcastle.

As part of this process we are required to consult with parents and carers so that you have an opportunity to understand what we are proposing and ask any questions that you may have. The consultation process will begin today and end on the 11th June 2021.

Please find the attached letter and booklet along with a link to the programme where you can access the resources and review them.

I would like to take this opportunity to direct you to our updated policies for PSHE and RSHE which can be found on our school website too.

If you have any questions please don't hesitate to contact me at:

Kind regards

Mrs Hawkins

Ss Peter and Paul Catholic Primary School

21st May 2021

Dear Parent /Carer,

This academic year, Relationships, Sex and Health Education will become statutory in all Primary schools in England. This will build on the non-statutory lessons we have always previously taught in Relationships and Sex Education (RSE) at SS Peter and Paul. .

We have been researching various programmes that are available and have decided to adopt **Life to the Full** by Ten Ten Resources. Ten Ten is an award-winning Catholic educational organisation that is well-respected and very experienced in this field of work.

Teachers will teach lessons which are sequential, age appropriate and differentiated to the child's ability. The activities and reflections which each class are involved in focus on physical, social, emotional, intellectual and spiritual development.

Some of the areas lessons will explore are:

- about the physical development of their bodies as they grow into adults
- that humans reproduce
- about the importance of family life
- about the parts of the body
- about puberty
- to respect the views of other people
- about what to do about inappropriate behaviour

As the children progress through the school the content of the lessons becomes further in-depth. The lessons are in line with our policy, Diocesan and Local Authority guidance.
